MACE
MY
FACE

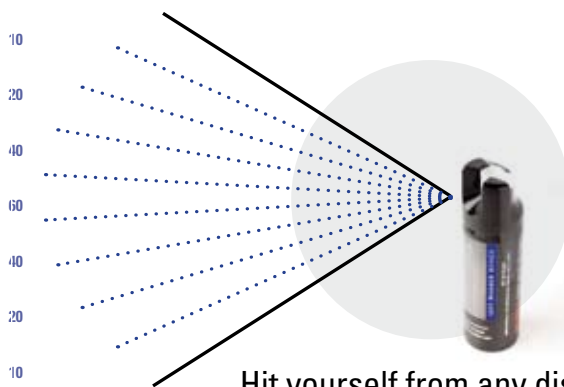

Pepper Self-Spray

Stop yourself before you do something stupid.™

Idiot, spray thyself!

Lob huge loads of bear-blinding pepper spray into your own eyes before you do something you regret!

Mace my Face™ pepper self-spray is a highly toxic blend of chemicals that will send a message from your eyes to your brain: stop what you are doing NOW.

MACEMYFACE. Pepper Self-Spray ... \$12.99

Hit yourself from any distance.
