

Hi everyone!

This is just a quick note to let you all know that yes, the Kneedraggin Podcast is still around. I had planned on doing a new show at the beginning of Feb but work got in the way (travel can be a pain at times). Now I am sick with a sore throat that gets worse when I talk - by the time I'm done reading my kids their bedtime stories I am in serious pain!

Anyway, as soon as I possibly can I will be posting a new show with all of my preseason predictions.

Also, I have reversed my earlier decision - MotoVOD is officially cancelled. I just do not have the time to devote to it. What I will be doing is interspersing video into the Kneedraggin Podcast every so often. That way my love of making video won't be completely crushed!

Finally, I just want to thank everyone for their support and concern - rest assured, the show will go on!
